

# 5<sup>th</sup> Annual Nordic Business Exchange USA

October 8, 2020

Nordic Solutions to Global Challenges is a joint initiative by the Prime ministers of the Nordic countries. We want to invite the world to share Nordic knowledge and experiences of six priority flagship projects. These Nordic solutions will be effective tools in our common work to reach the United Nations Sustainability Goals before the year 2030.

**SMART Solutions for Local Challenges<sup>®</sup>**

*Transforming Communities and Creating Value for Citizens*
